5th January 2021

Dear LCA Students & Parents,

Following the Prime Minister's announcement late last night, LCA staff are working on plans to enhance our arrangements for all students. From next Monday, 11<sup>th</sup> January, students in **all year groups** will benefit from 2 online tutor sessions per week. In addition all students will access a programme of online 'live' lessons for all subjects. We are working to ensure all students have access to the required resources.

In the meantime, the arrangements that are already in place for this week will continue. Students in Years 7, 8, 9, 10 and Year 12 should access their work on SMHW (login details are included in the Student Study File). This week, students in Year 11 and 13 have been prioritised for 'live' lessons.

Any parents requiring our 'Essential School Support' provision for children assessed as vulnerable or for children whose parents are critical workers unable to work without their child attending school, should book in advance via: [enquiries@lincolncastleacademy.co.uk](mailto:enquiries@lincolncastleacademy.co.uk)

A further update will be provided in the coming days with enhanced arrangements beginning on Monday 11<sup>th</sup> January.

Thank you for your patience and understanding as we work at speed to implement these changes.

Kind regards,  
Mrs Laming  
Headteacher
