Transition Packs

Dear Parent/Guardian

Please find enclosed 2 resources to support the transition of your son/daughter starting with us in September. The first booklet is called the 'All about me & challenge booklet' which includes a section for son/daughter to complete to enable their form tutors and myself to get to know them more. Please can we ask that this is returned in the self-addressed envelope no later than 17th July 2021. The second part of the booklet is full of core subject specific activities and challenges that will support your son/daughters learning in preparation for starting with us in September. There are three sections to the booklet: numeracy, literacy and science. For each section there are 3 different difficulty levels for you to try. Always begin with the bronze.

The second 'Getting Ready' pack continues the preparation for your son/daughter to explore the wide range of subjects they will be studying when they arrive. Once complete, each subject specific sheet will be collected in by the departments during the first week of arrival in September. Therefore, please ensure that this booklet is brought with your son/daughter on the first day of Year 7.

In addition to all of this, please continue to check the Transition section of the academy website, as each week it is updated with activities to complete as well as videos and virtual documents for you to familiarise yourself with.

Finally, enclosed is a detailed and up to date uniform list which each student must adhere to when they start in September. If you have any concerns or queries regarding any of the above, please email transition@lincolncastleacademy.co.uk.

Yours Sincerely

Mrs Sophie Macdonald
